Announcement for

2022-23

The Centre for Science & Technology of the Non-aligned and Other Developing Countries (NAM S&T Centre) and the International Centre for Chemical & Biological Sciences (ICCBS), H.E.J. Research Institute of Chemistry, and Dr. Panjwani Center for Molecular Medicine and Drug Research, University of Karachi, Pakistan are implementing a *Joint NAM S&T Centre-ICCBS Fellowship Scheme* to provide opportunities to scientists and researchers from the developing countries to work in the ICCBS Laboratories in the areas of Drugs Research and Development including Natural Products Chemistry and Herbal Medicines; Drugs, Pharmaceuticals and Nutraceuticals; Molecular Medicine, Medicinal Chemistry, Computational Chemistry, Structural Biology, Nanotechnology, Proteomics and Genomics, Clinical Research etc. in order to enhance their research skills, facilitate exchange of information and contacts and create a network among scientists and researchers from Pakistan and other developing countries.

The NAM S&T Centre invites applications from the deserving scientists and researchers from its Member Countries and the Members of its NAM S&T–Industry Network [Lists of the Member Countries and the Members of the NAM S&T–Industry Network are available in the Centre’s website www.namstct.org] for the award of the above Fellowship for the year 2022-23.

Under this Joint Fellowship Scheme, the Centre will sponsor up to five (5) scientists during the year for short-term affiliation at ICCBS for a period of up to ~3 months. Only one scientist from a particular developing country can be selected strictly on a competitive basis. The ICCBS will provide free furnished accommodation and a monthly subsistence allowance of **PKR 35,000/-** to the selected Fellows for the duration of the Fellowship. The NAM S&T Centre will pay the return international airfare between the home country and Karachi, Pakistan to the selected Fellows.

Applicants from Pakistan are not eligible to apply for this Fellowship.

Copies of the guidelines for the Fellowship and the application form are **attached**. Completed applications recommended by the parent institutions and endorsed by the Focal Point of the NAM S&T Centre in the applicant’s country may be submitted to the NAM S&T Centre. There is no last date for submitting the application and selection will be made in consultation with ICCBS on a first-cum-first basis depending upon the availability of seats and based on the professional details supplied and the Plan of Work submitted by the applicants.

JOINT NAM S&T CENTRE – ICCBS FELLOWSHIP PROGRAMME

GUIDELINES AND APPLICATION FORM

The NAM S&T Centre is implementing a Joint NAM S&T Centre – ICCBS Fellowship Scheme in association with the International Centre for Chemical and Biological Sciences (ICCBS), H.E.J. Research Institute of Chemistry and Dr. Panjwani Centre for Molecular Medicine and Drug Research, University of Karachi, Pakistan to provide opportunities to the scientists and researchers from the developing countries for working in the ICCBS Laboratories in various subjects.

Objectives

The objectives of the Joint NAM S&T Centre – ICCBS Fellowship Programme are:

- o To provide opportunities to the scientists and researchers from the developing countries to work with senior researchers and faculty members in the ICCBS for upgrading their research skills in the fields related to Natural Products Chemistry; Computational Chemistry; Herbal Medicines and Drugs; Medicinal Chemistry; Nanotechnology; Proteomics and Genomics; Pharmaceuticals and Neutraceuticals; Molecular Medicine; Structural Biology; Drug Research; Clinical Research & Practices; or any other subjects agreed upon by ICCBS authorities.
- o To facilitate the scientists and researchers from the developing countries to undertake short-term joint research projects at ICCBS.
- o To provide a mechanism to the scientists and researchers from the developing countries to use the equipment and facility of ICCBS for their own research activity on mutually agreed terms and conditions.
- o To facilitate exchange of information and contacts and create a network between the scientists and researchers from Pakistan and other developing countries.

Number of Fellowships

Up to 5 Scientists and Researchers from the developing countries are sponsored each year by the NAM S&T Centre to work at ICCBS under the “Joint NAM S&T Centre – ICCBS Fellowship Scheme”. ICCBS may increase the number of Fellowships based on its requirement, but without any financial implication for the NAM S&T Centre.

Duration of Fellowship

The maximum duration of Fellowship is **3 months**. However, it may be extended by ICCBS based on actual research requirements.

Eligibility

- o Scientists and researchers should hold at least M.Sc. or equivalent qualification and should be engaged in R&D or management of scientific programmes on the identified subjects.
- o There is no upper age limit, but younger scientists would be preferred, whenever possible. Preference will also be given to female candidates.
- o Selection is strictly on merit based on the scientific quality of the proposal submitted by the applicant.

- o From any given developing country only one scientist / researcher will be accepted in any given financial year.
- o Scientists from Pakistan are not eligible to apply for this Fellowship.

Financial and Other Terms

- o ICCBS would provide local hospitality, e.g. furnished accommodation and an allowance @PKR 35,000/- per month to each Fellow sponsored by the NAM S&T Centre.
- o NAM S&T Centre would pay the return international airfare from their home country to Karachi, Pakistan to the selected scientists / researchers subject to the endorsement by the Focal Point of the NAM S&T Centre in the country of the applicant.
- o ICCBS would provide all possible facilities and access to various instruments and equipment in its constituent laboratories that may be required by the Fellows for implementing their agreed upon research activity.
- o Individual Fellows or their governments / institutions will be required to bear the following costs:
 - ❖ All expenses in the home country incidental to travel abroad, including expenditure for passport and visa, required medical examinations and vaccinations and miscellaneous expenses such as internal travel to/from the airport of departure in the home country.
 - ❖ Salary and other related allowances for the Fellows during the Fellowship period.
 - ❖ Cost towards medical insurance to cover the period of Fellowship in Pakistan.
- o The NAM S&T Centre and ICCBS will not assume responsibility for the following expenditure in connection with the Fellowship of a particular scientist/researcher:
 - ❖ Insurance, medical bills or hospitalisation fees
 - ❖ Compensation in the event of death, disability or loss of personal belongings or compensation for damage caused by climatic or other conditions
 - ❖ Travel or other costs incurred by the dependents, who might accompany the Fellows.

Submission and Selection of Applications

- o Applications for the Fellowship may be submitted in prescribed format (**attached**) directly to the NAM S&T Centre.
- o Five applicants (Max) will be selected each year out of all the applications received strictly on merit and competitive basis and based on the professional details and the Plan of Work submitted by the applicants.
- o In matter of selection, the decision of NAM S&T Centre and ICCBS shall be final.
