Joint NAM S&T Centre - ASRT, Egypt Fellowship Programme

This Fellowship is offered to scientists and researchers of the developing countries for affiliation with the Academy of Scientific Research and Technology (ASRT), Cairo, EGYPT [www.asrt.sci.eg] for a period of up to six weeks to work in the areas of Medical, Microbial and Plant Biotechnology in order to enhance their research skills, facilitate exchange of information and contacts, and create a network among the scientists and researchers from Egypt and other developing countries. Under this scheme, The NAM S&T Centre pays the return international airfare from the home country to Egypt to the selected Fellows only from those member countries of the NAM S&T Centre or members of the NAM S&T – Industry Network, which have no outstanding dues towards the annual membership subscription to the Centre. The ASRT, Egypt will provide an allowance of @US\$600 in equivalent local currency for accommodation, meals, transportation, and other expenses for six weeks' stay to each scientist selected under the Fellowship programme.

Only five (5) scientists will be selected for the award of the fellowship each year. Selection will be made strictly based on the professional details of the applicant, plan of work to be carried out and mutual research interests of the applicant and ASRT and also on first-cum-first basis.

Scientists from Egypt are not eligible to apply for this Fellowship. Lists of the Member countries and the NAM S&T – Industry Network Members of the Centre and the details of the Focal Points of the Centre in these countries/ Network Members are available at the Centre's Website www.namstct.org.

Please continue visiting the page <http://www.namstct.org/Fellowship.html> regarding call for applications.
